**GENERAL SPECIFICATIONS**

**This is a cooperative bid involving a number of our component school districts. By signing and submitting this bid for consideration by Genesee Valley BOCES (hereinafter called 'GV BOCES'), the vendor acknowledges that they have read, understand and agree to all aspects of the specifications as presented, without reservation or alteration.**

1. GENERAL BID CONDITIONS

- a. It shall be understood that a bidder may submit only one bid for each line item and only one bid package for award consideration. Submission of more than one bid per item or more than one bid package shall be deemed collusion and that all bids received from the submitting bidder shall be rejected. It shall also be understood that substitute items will be evaluated; however, only one substitute line item will be accepted per item. Any additional substitute line items submitted will be rejected and not considered for bid award.
- b. No interpretation of the meaning of the specifications or other contract document will be made to any bidder orally. For any bid responding as a hard copy submission, every request for such interpretation shall be in writing, to the Purchasing Agent, not less than five (5) days prior to the date of the bid opening. For any bid responding electronically, go to the "Question Acceptance Deadline" section in BidNet Direct to enter your question by the date indicated. Notice of any and all such interpretations and any supplemental instructions will be sent to all bidders of record by GV BOCES in the form of an addenda to the specifications. Any addenda so issued shall become part of the bid document.
- c. Units of Measure and container sizes are important. An awarded vendor will be held to their pricing provided for the unit of measure and container sizes specified unless the vendor modifies the unit of measure or container size when completing their bid document.
- d. All prices quoted must be "per unit" as specified; e.g., do not quote "per case" when "per dozen" is requested; otherwise, bid may be rejected.
- e. For hard copy bid submissions, the Bidder must insert the unit cost and the extensions for each line item in the bid. For electronic bid submissions, the Bidder must insert the unit cost in the appropriate column; either column G (Unit Cost) or column L (Subs Unit Cost). Extensions will calculate automatically.
  - i. For hard copy submission type, if an item is not being bid, it must be marked No Bid in the "Unit Price" column. For electronic submission type, it must be marked No Bid in Column I labeled "Vendor Catalog Number" and 0.00 should be entered in the "Unit Cost" column. Do not leave any unit cost field blank with either submission type. Failure to comply could result in rejection of bid.
  - ii. In the event of a discrepancy between the unit cost and the extension, the unit cost will govern. Prices shall be extended in decimal, not fractions.
- f. GV BOCES does not offer or supply anyone with the list of vendors that have obtained a copy of the bid specifications or any cost estimates for a project prior to the opening of the bid. No exceptions are made to this policy.
- g. GV BOCES reserves the right to allow all municipalities, political sub-divisions of New York State and not-for-profit organizations authorized under the General Municipal Law of the State of New York to purchase any goods and/or services awarded as a result of this bid in accordance with the latest amendments to NYS GML 100-104. However, it is understood that the extension of such contracts is at the discretion of the vendor and the vendor is only bound to any contract between GV BOCES and the vendor.

Any necessary deviations from the bid specifications in the award of a participant contract, whether such deviations relate to quantities, or delivery points, shall be resolved between the successful bidder and the other municipalities, political sub-divisions of New York State or not-for-profit organizations.

**Board of Cooperative Educational Services  
Genesee-Livingston-Steuben-Wyoming Counties**

- h. In accordance with New York State General Municipal Law, GV BOCES will not be liable for any purchases or contracts for goods or services for which funding is not available. As a result, the vendor agrees to hold GV BOCES harmless for any contracts let for which funding either does not currently exist, or for which funding has been removed prior to the issuance of a purchase order by GV BOCES or our participating component districts.

Issuance of a purchase order by GV BOCES or our participating component districts indicates that they currently have and have set aside adequate funds to procure the goods and services indicated in the purchase order or contract. Receipt of a resolution by their Board is not in and of itself a binding contract with GV BOCES or our participating component districts.

Should it become necessary for GV BOCES or our participating component districts to cancel a project or purchase after a purchase order has been issued, GV BOCES and our participating component districts will only be liable for and the vendor agrees to only assess those financial damages that it can prove to have incurred as a result of the cancellation.

- a. Any deviation from the adherence to these specifications may exclude the bidder from consideration.
- b. Awards will be made as soon as practical after bid opening. The Board reserves the right to reject or waive all informalities in any bid received, and to reject all bids and re-advertise if such procedure is in the best interest of GV BOCES. Bids offering terms other than those contained in the specifications may be rejected.

**3. AWARD**

- a. Various brand names that may be mentioned in these specifications are given to establish a standard of quality. It is not our intent to limit awards to any one brand, but rather to set a standard and establish a basis for equality. However please note, there may be item(s) that clearly are stated no substitutes will be accepted.
- b. If two or more bidders submit identical bids as to price, quality, etc., the decision of the Board to award a contract to one of such identical bidders shall be final.
- c. The successful bidder(s) shall supply all guarantees, service warranties and manuals where applicable.
- d. All regularly manufactured stock electrical items must bear the label of the Underwriters' Laboratories, Inc.

**4. BID SECURITY**

- a. If the supplies, materials or equipment are to be delivered over an extended period of time, or if the specifications so state, the successful bidder may be required to execute an agreement in relation to the performance of such contract. If the specifications so state, the successful bidder also may be required to furnish a performance bond equal to ten percent (10%) of the contract to guarantee faithful performance of such contract. Such performance bond shall be maintained in full force and effect until the contract has been fully performed. The surety company furnishing each performance bond shall be authorized to do business in the State of New York and must be satisfactory to GV BOCES or our participating component districts.

- b. Termination for Convenience: GV BOCES, by 30 days written notice, may terminate this contract, in whole or in part, when it is in the best interest of GV BOCES and our participating component districts. If this contract is so terminated, GV BOCES and our participating component districts shall be liable only for payment in accordance with the payment provisions of this contract for services rendered and/or supplies received prior to the effective date of termination.
- c. Cancellation of contract for any reason may result in removal of the successful bidder's name from mailing lists for future proposals for an indeterminate period.
- d. It is mutually understood and agreed that the successful bidder shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or right, title, or interest therein, or power to execute such contract, to any other person, company, or corporation, without the previous written consent of GV BOCES.
- e. Provided it is mutually agreeable between the vendor and GV BOCES, on behalf of our participating component districts, the contract prices may be extended beyond the expiration date of the contract period.
- f. Unless otherwise specified, a notice to the successful bidder by the issuance of purchase orders along with the specifications and bid offer to the bidder will constitute and create a contract. The Board reserves the right to hold all bids for forty-five (45) days subsequent to the opening of bids for examination and consideration.
- g. A contract shall bind the successful bidder on their part to furnish and deliver at the prices and in accordance with the conditions of this bid. Contracts shall bind GV BOCES and our participating component districts on its part to order from the successful bidder and to pay the contract prices for all items ordered and delivered.
- h. If the successful bidder fails to deliver within the time specified, or within reasonable time as interpreted by GV BOCES and our participating component districts, or fails to make replacement of rejected articles, GV BOCES and our participating component districts may purchase from other sources to take the place of the item rejected or not delivered. GV BOCES and our participating component districts reserve the right to authorize immediate purchase from other legally available sources against rejections on any contract when necessary.

7. ESTIMATED QUANTITIES

- a. All items awarded are available to be purchased by all participants, whether or not quantities were estimated by a district for any item.
- b. The participants reserve the right to purchase items from any other bids allowable under New York State General Municipal law, including but not limited to New York State contracts should doing so result in savings for the district.
- c. Any quantities shown on the Bid Request Compilation and Vendor Response Form (hard copy) or Vendor Bid Response excel file (electronic excel file) are estimates only. GV BOCES solicits your bid on a "more-or-less" basis: i.e., the prices bid by you shall apply whether or not GV BOCES or our participating component districts order more or less of any of the quantities shown. GV BOCES

Instructions for the Submission of Electronic Bid Forms**

1. BidNet Direct is the electronic platform Genesee Valley BOCES is utilizing for the electronic bid process.
2. Free vendor registration is required to view the bid documents. You can register to become a bidder online at [www.BidNetDirect.com](http://www.BidNetDirect.com) If you have trouble with the website or vendor registration, please contact BidNet Direct Vendor Support Department at 1-800-835-4603 option 2.
3. The Vendor Bid Response excel file and Schedule 1 – Bid Forms Packet are available to download on the website: [www.bidnetdirect.com/genesee-valley-boces](http://www.bidnetdirect.com/genesee-valley-boces)
4. The Vendor Bid Response excel file shall be completed electronically and uploaded back to the same platform in the same format.
  - a. Do not password protect the excel file.
  - b. E-mailed or faxed responses are not acceptable.
5. Failure to follow **all** the submission instructions for the Vendor Bid Response excel file, could result in rejection of bid.
6. The bidder shall not alter the excel file in any manner except for modifying column widths. Do not delete any columns or rows. Any change in the electronic format will prevent the file from being read by the bid evaluation software and therefore may result in the rejection of the bid submission.
7. Bidder must insert the price per unit as specified in the excel file. Please do not enter anything but the price in the unit cost or subs unit cost column (no letters, part numbers, etc.).
8. It is **critical** to pay attention to the units of measure that are specified per item in the excel file. If the bidder is bidding an item that does not meet the exact specifics of a line item, such as unit of measure, item size and/or quantity per package, make sure to follow the instructions below in #14 for bidding item not as specified.
9. Please refer to Exhibit C for examples of entering information into the excel file.
10. Only fields specified below in #13 and #14 are to be used when entering your bid response.
11. Make sure to enter your bid price in only **ONE** column.
  - a. Use only Column G (unit cost) if bidding item exactly as specified
  - b. Use only Column M (subs unit cost) if offering a substitute
12. If an item is not being bid:
  - a. It must be marked No Bid in Column I - Vendor Catalog Number
  - b. Leave the unit cost field as is with 0.00
  - c. **Do not leave any unit cost field blank**
  - d. Failure to comply could result in rejection of bid
13. Instructions for **Bidding as Specified:**
  - a. If the bidder is bidding as specified (including manufacturer, color and package size) the bidder should fill in only the Unit Cost (column G) and Vendor Catalog Number fields (column I)

G	H	I
Unit Cost	Extended Cost	Vendor Catalog Number

14. Instructions for **Bidding not as Specified:**
  - a. When offering a substitute bid item, the bidder is required to fill in **ALL** substitute fields as noted below. (Substitute Desc (column J), Subs UM (column K), Subs Qty (column L), Subs Unit Cost (column M))

J	K	L	M
Substitute Desc	Subs UM	Subs Qty	Subs Unit Cost

- b. The bid software will not recognize a substitute item if all substitute columns (J-M) are not complete.
- c. Unit of Measure (Subs UM- column K) is limited to 4 characters.

**Board of Cooperative Educational Services  
Genesee-Livingston-Steuben-Wyoming Counties**

- d. When offering a substitute bid item, it is **key** to provide a complete and accurate item description including the brand, item size and how sold in the "Substitute Desc" column (column J). Be sure to follow this example when a substitute item is being bid:
- i. If Column D - Item Description Reads:  
*HAND SANITIZER, ALCOHOL BASED 4 OZ. - 12/CASE, PURELL*
  - ii. If you are substituting brand, package size and case count, Column J would read as follows:  
*HAND SANITIZER, ALCOHOL BASED 6 OZ. - 24/CASE, SUAVE*
  - iii. The following example is **NOT** acceptable as there is not enough information for analysis as it only provides brand name, package size and case count (product description is missing so the bid evaluation software would not know this was hand sanitizer, alcohol based):  
*SUAVE, 6 OZ., 24/CASE*
  - iv. The bidder is required to fill in all substitute fields. (See Exhibit C for examples)
- e. When the substitute item is **not the same packaging size:**
- i. The bidder must adjust the number of packages needed of their product to equal the actual total individual units requested in the specification. All quantities must be in whole numbers. (Cannot bid 0.20 cases. Round up to 1.00 case.)
  - ii. The bidder is required to fill in all substitute fields. (See Exhibit C for examples)
- f. When the substitute item **is the same packaging size:**
- i. The bidder is required to fill in all substitute fields. (See Exhibit C for examples)
- g. Failure to comply could result in rejection of bid.

**Appendix A – Federal Contract Provisions**

Contract Provisions as outlined in the Code of Federal Regulations Title II Grants & Agreements, Chapter II, part 200, Subpart D, § 200.326 - Contract provisions.

**Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards**

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

**(A)** Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

**(B)** All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

**(C)** Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” ( 30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

**(D)** Davis-Bacon Act, as amended ( 40 U.S.C. 3141- 3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act ( 40 U.S.C. 3141- 3144) as supplemented by Department of Labor regulations ( 29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act ( 40 U.S.C. 3145), as supplemented by Department of Labor regulations ( 29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

**(E)** Contract Work Hours and Safety Standards Act ( 40 U.S.C. 3701- 3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations ( 29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**(F)** Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

**Board of Cooperative Educational Services  
Genesee-Livingston-Steuben-Wyoming Counties**

**(G)** Clean Air Act ( 42 U.S.C. 7401- 7671q.) and the Federal Water Pollution Control Act ( 33 U.S.C. 1251- 1387), as amended - Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act ( 42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended ( 33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

**(H)** Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 ( 3 CFR part 1986 Comp., p. 189) and 12689 ( 3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

**(I)** Byrd Anti-Lobbying Amendment ( 31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

**(J)** See § 200.322 Procurement of recovered materials.

**§ 200.322** - A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

    - 1.       - (a) By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization under penalty of perjury, that to the best of knowledge and belief:

- III. The bidder certifies that he is aware of, and will comply with, the provisions of the State Labor law applicable to independent contractors regarding conditions of employment, including payment of minimum wages, if this bid results in a labor and material type construction contract.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**USDA REQUIRED CERTIFICATION STATEMENT  
DEBARMENT AND SUSPENSION**

A school food authority is prohibited from contracting with a company or individual that has been debarred or suspended in accordance with 7CFR Part 3017. This prohibition does not extend to contracts in existence at the time of the debarment/suspension or to most contracts under \$25,000. Rather, it applies to new contracts and extensions or renewals of existing contracts of \$25,000 or more and to contracts for audit services, regardless of amount.

To ensure that a school food authority does not enter into a contract with a debarred or suspended company or individual, each school food authority must require that each responsive bidder include this certification statement with each bid on each contract.

By signing this **CERTIFICATION STATEMENT**, the bidder certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred, or suspended by a Federal agency.

By signing below, if you are the awarded Vendor, your company certifies that it complies with the Buy American provision in that the food delivered is of domestic origin or the product is substantially produced in the United States. **MILK/MILK PRODUCTS COOPERATIVE BID**

**Escalator/De-escalator Clause**

It is hereby understood that the fluid milk prices quoted in this bid are based on the Class 1 Price Information for the Northeast Order, Buffalo, NY, skim per cwt (\$10.35) and the Butterfat dollars per pound (\$3.2562) established for April 2024 under the terms of Federal Order #1 for the Northeast Marketing Area.

If these fluid milk prices are hereafter increased or decreased or if the vendor is required to pay any other additional premiums related to government mandated costs in order to obtain a supply of milk the amount of the increase shall be added and/or the amount of the decrease deducted from the rate of payment under this contract. Examples of mandated costs which may affect pricing for the Federal Milk Market Administrators Fee, the processor assessment fee or any over-order premium program such as the Northeast Dairy Compact or the New York State program to enhance dairy farm prices which could be implemented under the Rogers-Allen provision. Justification for any changes shall be provided in writing 30 days prior to any increase or decrease. Other than the fluid milk, all prices are bid for the entire year.

The Class I Price is based on the price of butterfat and the price of the remaining skim portion of milk. Therefore, the price of finished packaged fluid milk products will vary depending on the relative amount of butterfat and skim in the products. The method outlined is designed to calculate the change in the price of fluid milk products from one month to the next.

This methodology does not take into account any changes that might affect costs which could occur due to possible government regulatory mandates such as the Federal Milk Market Administrator's fee, the twenty cent per hundredweight fluid milk processor assessment for fluid milk production, or any over-order premium program. As long as there is no change in any of these factors, there should not be any impact on the price changes calculated using this methodology.

The undersigned further states that no member of the Board of Education of the Genesee-Livingston-Steuben-Wyoming BOCES, or any Board of Education in the participating school districts is directly or indirectly interested in this bid or in any portion of the profits thereof.

# Smart Snacks in School

## USDA's "All Foods Sold in Schools" Standards

USDA recently published practical, science-based nutrition standards for snack foods and beverages sold to children at school during the school day. The standards, required by the Healthy, Hunger-Free Kids Act of 2010, will allow schools to offer healthier snack foods to children, while limiting junk food.

The health of today's school environment continues to improve. Students across the country are now offered healthier school lunches with more fruits, vegetables and whole grains. The *Smart Snacks in School* standards will build on those healthy advancements and ensure that kids are only offered tasty and nutritious foods during the school day.

*Smart Snacks in School* also support efforts by school food service staff, school administrators, teachers, parents and the school community, all working hard to instill healthy habits in students.

### Nutrition Standards for Foods

#### Any food sold in schools must:

- Be a "whole grain-rich" grain product; or
- Have as the first ingredient a fruit, a vegetable, a dairy product, or a protein food; or
- Be a combination food that contains at least ¼ cup of fruit and/or vegetable; or
- Contain 10% of the Daily Value (DV) of one of the nutrients of public health concern in the 2010 Dietary Guidelines for Americans (calcium, potassium, vitamin D, or dietary fiber).\*

#### Foods must also meet several nutrient requirements:

- Calorie limits:
  - Snack items: ≤ 200 calories
  - Entrée items: ≤ 350 calories
- Sodium limits:
  - Snack items: ≤ 230 mg\*\*
  - Entrée items: ≤ 480 mg
- Fat limits:
  - Total fat: ≤35% of calories
  - Saturated fat: < 10% of calories
  - Trans fat: zero grams
- Sugar limit:
  - ≤ 35% of weight from total sugars in foods

\*On July 1, 2016, foods may not qualify using the 10% DV criteria.

\*\*On July 1, 2016, snack items must contain ≤ 200 mg sodium per item

## Nutrition Standards for Beverages

- **All schools may sell:**
  - Plain water (with or without carbonation)
  - Unflavored low fat milk
  - Unflavored or flavored fat free milk and milk alternatives permitted by NSLP/SBP
  - 100% fruit or vegetable juice and
  - 100% fruit or vegetable juice diluted with water (with or without carbonation), and no added sweeteners.
- **Elementary schools may sell up to 8-ounce portions, while middle schools and high schools may sell up to 12-ounce portions of milk and juice. There is no portion size limit for plain water.**
- **Beyond this, the standards allow additional "no calorie" and "lower calorie" beverage options for high school students.**
  - No more than 20-ounce portions of
  - Calorie-free, flavored water (with or without carbonation); and
  - Other flavored and/or carbonated beverages that are labeled to contain < 5 calories per 8 fluid ounces or ≤ 10 calories per 20 fluid ounces.
  - No more than 12-ounce portions of
  - Beverages with ≤ 40 calories per 8 fluid ounces, or ≤ 60 calories per 12 fluid ounces.

## Other Requirements

- **Fundraisers**
  - The sale of food items that meet nutrition requirements at fundraisers are not limited in any way under the standards.
  - The standards do not apply during non-school hours, on weekends and at off-campus fundraising events.
  - The standards provide a special exemption for infrequent fundraisers that do not meet the nutrition standards. State agencies may determine the frequency with which fundraising activities take place that allow the sale of food and beverage items that do not meet the nutrition standards.
- **Accompaniments**
  - Accompaniments such as cream cheese, salad dressing and butter must be included in the nutrient profile as part of the food item sold.
  - This helps control the amount of calories, fat, sugar and sodium added to foods by accompaniments, which can be significant.

## Public Comment

USDA is seeking comments on these standards. The formal 120-day comment period is open through October 28, 2013. We also want to continue to receive feedback during implementation of the standards, so that we are able to make any needed tweaks to the standards based on real-world experience. Feedback from students, parents, school food staff, school administrators, State agencies and other interested parties is critical to ensuring successful standards.

To find the standards online, simply go to <http://www.regulations.gov> and search by the docket number, which is FNS-2011-0019, or you may type in the name of the rule "Nutrition Standards for All Foods Sold in School".
