Instruction

### **SUBJECT: FIRE DRILLS AND BOMB THREATS**

#### **Fire Drills**

The administration of each school building shall instruct and train students, through fire drills, in procedures for leaving the building in the shortest possible time and without confusion or panic.

Fire drills shall be held at least twelve (12) times in each school year; eight (8) of these shall be held between September 1 and December 1. At least one (1) of the twelve (12) drills shall be held during each of the regular lunch periods, or shall include special instruction on the procedures to be followed if a fire occurs during a student's lunch period.

The building principals will conduct additional drills during evening, summer, or other time periods when instructional programs are being held in addition to the regular programs. Persons participating in after school and evening activities shall be provided directions on how to exit the building safely.

#### **Bomb Threats**

The building principals will follow established procedures to insure the safety of students and maximize the chance of apprehending the caller.
