The Cooperative Medical Supplies Bid GVBOCES 23-L was opened March 17, 2022. Courtesy emails were sent via BidNet; fourteen vendors responded, two responses were rejected.

After review of all responses, the following vendors have met our requirements. This bid consisted of two-hundred-twenty-two items, four items were not awarded and four items were not bid.

Again, vendors were given the opportunity to offer a percentage off of their catalog pricing for those items not spelled out in our bid catalog.

Once this bid is approved by our BOE it will be in effect from 5/1/2021 – 4/30/2022. This award will be shared with the participating districts and the BOCES.
